

Welcome to Tenkiller Women in the Outdoors!

This is our 25th year and we are looking forward to another fantastic event! This is your WITO registration packet. It contains general information about the event, your registration page, two liability releases, and the list of classes (the most important part!) offered this year for you to pick from. You must fill out pages 2-6 of the packet and get it back to us along with your chosen method of payment to be enrolled in the event and classes. There are some changes in the registration from previous years so please read all the information thoroughly. Please check out our Facebook page for more details! <http://www.facebook.com/WITO.Tenkiller>

So, what is Tenkiller WITO? Our event is a weekend of fun and friendship in the beautiful outdoors of Northeast Oklahoma. The dates for our 2025 event are Oct 31st-Nov 2nd. WITO is an event sponsored by the National Wild Turkey Federation with the goal of getting more women interested and involved in the outdoors, conservation, and hunting. What better way to accomplish this than to host a weekend where women can come to a judgement free safe space and learn a new skill or craft or improve an existing one? The weekend is set up with 3 hour classes on Saturday and Sunday AM and PM. There are also extra classes on Thursday or Friday for those ladies who choose to join a mentored hunt. (And if hunting isn't your thing, there are plenty of other options for you to take.) Friday is reserved for check in and getting your bearings. Saturday evening after classes we hold a banquet dinner with a live and silent auction and games. It's so much fun it'll knock your socks off!

Your registration fees cover your enrollment in the event, your class choices, lunch Saturday and Sunday, dinner Saturday night, a year NWTF membership, and parking in the State Park. **Some of the classes have a materials fee which is paid in cash to the event staff when you check in.** That fee covers any out of pocket cost the instructors have for supplies they provide. Lodging is on your own. Tenkiller State Park has cabin and RV site rentals available and there are several Airbnb's and VRBO's in the area as well.
